

## **Callide Valley Show Results**

**20-21 May, 2017**

Over 30 students camped out at Biloela over the weekend to attend the Callide Valley show.

Competition was stiff with around 20-40 entries in each class.

RGS took out first place in each junior parader's age group, with Remy Streeter, our Show team Captain being awarded the championship, and will represent Callide Valley at the sub chamber final at Mt Larcom later this year as the qualifier for Ekka.

We had strong placings in judging, despite many students not being selected for speaking. One of our newest show team members spoke impressively to achieve second place in her age class, against strong competition.

Our livestock, in their first show for the season, had a fresh start, but went on to win the heavy steer class, and then onto receive the champion commercial beast against some beautifully finished animals.

The results list is as follows:
