Dear Parents/ Guardians of Students in the RGS Athletics Team 2017

The Interschool Athletics Championships will be held on **Monday 31st July** and **Tuesday 1st August, 2017** at **North Rockhampton State High School**. The RGS team, of approximately 140 competitors over the two days, will be transported from RGS. **The RGS Athletics Team photo will be taken on Monday 31st at the school**. The bus will depart from RGS front gates at **8:15 am on Monday and Tuesday** and return to RGS by 3:30pm. In addition, a shuttle bus service will run between RGS and the carnival (10.30 & 12.30) to allow students who are entered in one or two events to also meet their commitments in class at school. Students may choose to make their way to the venue independently, but must indicate this on the permission slip below.

Mr Stacey and Mrs Crossland will accompany the athletics team for the carnival along with other school staff. Athletics Captains Julia Becker and Jack Di Milia will assist on the day. Students are only required on the day they are competing as per the program. (see attached)

As this is a sports carnival, the requirement of wearing day uniform is exempt for the days of the carnival. Instead, the RGS black and red sports uniform, hat, sunscreen and a water bottle are essentials for the days. Shoes are compulsory for all throwing events. Spikes are NOT permitted for 800m or longer.

Please ensure all permission slips are returned to the Sports Registrar Office by Friday 21/07/17 to confirm the athlete's commitment to the RGS team. It is important that students participate in the events in which they are entered, as indicated in the attached list, so as to maximise the team's performance at the carnival.

Congratulations once again on the inclusion of your child in the team. We look forward to a successful carnival.

Yours faithfully
Mr Stacey
