Rockhampton Show Results 14-16 June, 2017

The 2017 Rockhampton Show has been incredibly successful for RGS.

While RGS was represented well with participation in the stud sections, the show cattle team took out the champion CQ School trophy in its own right for the 3rd year running. This year with double the points of the nearest competitor, and clear winners of the Junior day according to the show society's points tally.

Grady Hansen took out the top individual student cumulative points award with some fantastic performances over the show, including membership in the winning Young Farmer's challenge team fielded by RGS from 9 other teams. Grady's team took out Thursday night's hotly contested and entertaining final.

This year's new format included showing across all 3 days of the show and the team represented RGS and themselves extremely well. Students were complemented not only on their presentation, but also their team spirit, courteous contribution and help at the show as well as engagement with Central Queensland agriculture.

This year's show cattle team results included:

Junior Paraders
11 and Under
8th Eve Clancy

3rd RGS Dr Seuss

5th RGS Rumbo

6th RGS Black Magic

A huge thanks to those staff who visited the students, parents for their support, RGS staff including Graeme Bloxson, Grounds, Communications and Marketing, Food Services, Transport, Boarding, Roger Croser, Sheree Manser, Billy Mayes and the Mayes family, our other supporting cattle families who assisted with animals including the Hansen's and Streeter's, and our coach Renee Rutherford, who also presented cattle in her own right and assisted with access to cattle for students to parade.

We wish our regional representatives the best of luck at the regional finals this coming week, and look forward hearing how students go during the holidays Junior Beef and the senior team attending Ekka prior to our season coming to an end.

I am very proud of this team who with continued work, will perform well into the future.
