## Welcome to 2014

The RGS Cricket Club is entering into another year and with the current 2013/14 season underway, there are several teams across the age groups that are competing strongly for the chance to play in finals at the end of the season in March. On behalf of the club, I wish all of the players a wonderful end to the season.

Over the past decade, the cricket programme at RGS has experienced positive changes that have allowed more players across the School (grades 1 to 12) the opportunity to play with the inclusion of U10 on Friday nights and the First XI playing in the senior men's second grade competition. None of which would be possible without the dedication of our coaching staff, ranging from current students, parents and staff of RGS. The nature of cricket is that it is very time consuming and the efforts of these coaches is never underestimated and will always be sincerely appreciated.

## Captains of Cricket for 2014

At the end of 2013, several of our seniors for 2014 nominated themselves for a prestigious position on the RGS Cricket Club leadership team. All candidates were interviewed and very difficult choices were made. Congratulations to all candidates as you all interviewed extremely well. The 2014 Captains of Cricket are:

**Captain: Callum Henderson**

**Vice Captains: Jack Donaldson & Clinton Orford**

*"Hello to all RGS cricketers, my name is Callum Henderson and I will be the Grammar Cricket Captain for 2014. First of all I would like to say that I am extremely proud to represent the club in this role and look forward to meeting you all around the School and cricket grounds. Being Cricket Captain has been a goal of mine since first arriving at the School in Year 8 and I look forward to giving something back to the club that has given me so much over the years. Good luck to all teams participating over these final weeks of the season and hopefully we will see some victories come Grand Final Day!"*
