Mycricket Website

All matches from last season are now up-to-date, therefore, all player statistics can be found on the "Mycricket" website. The link is <http://mycricket.cricket.com.au/>. Once on the website, you search for 'Rockhampton Cricket Inc' and you use the tabs to navigate around the site.

Updating the Cricket Nets

Currently, we are looking into acquiring quotes for upgrading the school nets. We are looking at adding another net to make 4 and replacing all of the green astro turf. How long the quoting process takes and then the approval process

will determine if the nets can be completed before the start of next season. If the time frame does not allow for this to happen, the nets will be upgraded in the Christmas school holidays.

Sponsorship Search

The current sponsorship the club has obtained has allowed for upgrading equipment, purchasing of playing and training shirts and playing uniforms for the First XI. In the new season, we would like these items to continue and possibly more, so we are asking again for sponsorship from the cricketing community. If you personally, or your business or someone else you know of who are interested in sponsoring the RGS Cricket Club, please contact the Teacher In Charge, Mr Jason Wells jwells@rgs.qld.edu.au, for further details.

Coaching Interests

Each season, we are in need of parents to assist with the cricket program, by coaching, umpiring or scoring. If you are interested in helping out with a side either at trainings or on game days, please contact the Teacher in Charge, Mr Jason Wells jwells@rgs.qld.edu.au, for further details. Leading into next season, there will be a level 1 Coaching and Umpiring Course that the club will fund for you if you are an official part of the RGS cricket programme.
