10. Details of the selected activity will be displayed

- In the example below, the activity was marked on two criteria (research and content knowledge). Under Activity Files you can see there are two files. One is the student's submitted file and the other is the teacher's feedback file to the student. Depending on the activity set, the teacher may request a draft be submitted for the activity and, as parents, you will also see the draft submitted by your child.
