STUDENT ACCIDENT PROTECTION PLAN

Students of The Rockhampton Grammar School are covered by Aon's Platinum Student Accident Protection Plan, which provides cash benefits for a range of injuries from broken bones to burns to permanent disabilities, as well as various out-of-pocket expenses related to an accident. Students are covered only while they are at school or engaged in school organised activities, including travel to and from such activities.

In addition to providing financial benefits for specific accidents, Aon's Student Accident Protection Plan provides:

- ✓ cover for a child's tuition, for four terms, in the event of their parent or guardian's accidental death;
- ✓ financial support for tutoring should a student be away from school for a prolonged period (accident-related);
- ✓ clothing, hospitalisation and other out-of-pocket expenses that relate to an accident; and
- ✓ reimbursement of 100% of non-Medicare medical expenses that occur 12 months or more after the accident (up to \$10,000), provided that a medical practitioner recommends the delay and the insurer is notified.

The plan is designed as an additional cover to private medical insurance policies many families would have in place. It does not provide total cost coverage, and it should not be relied upon as the sole medical insurance policy for a student. It is not a travel insurance policy.

To make a claim, download the School Student Accident Claim Form and Medical Practitioner's Statement from the School's website, complete these forms and send to:
