Term 2 School Holidays

29 June – 10 July

NOTE: This period covers the mandated WorkCover Insurance requirements for all schools. Hence why All Work Experience placements must be organised by the School.

All work experience needs to be organised at least 3 weeks prior to starting.

Many excellent work experience providers are fully booked out early in the year so those students leaving requests until close to the 3 weeks prior to the work experience date may miss out due to lack of available places.

Not all employers provide work experience opportunities and are not required to do so.

Some employers offer very limited work experience and expressions of interest are called only once per year. Only some applications are successful.

Work experience applications are available from the SSO. Please direct your queries to Miss Megan Thomasson or Mrs Sarah Tregea.
